3.01 **Permitted Uses.** The use of the Property shall be restricted as follows:

(a) Except as otherwise expressly provided in this Declaration, the Lots within the Property may be used for any lawful residential or commercial use. Provided, HUD Code manufactured homes or modular homes as defined by Chapters 1201 or 1202 of the Texas Occupations Code, as amended, shall be deemed to qualify as permitted residential uses if they are not more than five (5) years old when installed on the Lot. Without limiting the generality of the preceding sentence, inoperable motor vehicles shall not be allowed to remain on the Property.

3.04 **Mining and Drilling.** No Owner shall use any portion of the Property for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals of any kind, rocks, stones, sand, gravel, aggregate, or earth, and no Improvements related to such activities may be erected or maintained on any portion of the Property.

3.05 **Noise.** No exterior speakers, horns, whistles, bells, or other sound devices (other than security devices used exclusively for security purposes) shall be located, used, or placed on any of the Property so as to be audible beyond the boundaries of the Lot on which any such item is located.

3.08 **General Maintenance of Lots.** Each Owner shall maintain and care for all Improvements and all trees, foliage, plants, and lawns on such Owner's Lot and otherwise keep the Lot and all Improvements thereon in good condition and repair and in conformity with the general character and quality of properties in the immediate area.

Any Owner acquiring a Lot in reliance on one or more of such restrictive covenants, terms, or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to **hold Declarant harmless therefrom.**

Article IV

ARCHITECTURAL COMMITTEE

4.01 **Reservation of Architectural Control.** Declarant, desiring to provide for the preservation of the value of the Property, for the benefit of the Property and each Owner thereof, hereby reserves the right and all rights to approve or disapprove as to:

(a) Compliance with any Restrictions imposed by Declarant or the Architectural Committee; and

(b) Design and location of Improvements which any Person seeks to commence, erect, place or maintain upon the Property.

4.02 **Appointment of Architectural Committee Members.** During the Declarant Control Period, Declarant shall appoint the Architectural Committee, which shall consist of one (1) to three (3) members who shall be natural persons and may be employed by Declarant or be a principal of the Declarant. All matters before the Architectural Committee shall be decided by majority vote of its members. In the event of death, incapacity or resignation of a member of the Architectural Committee, a successor for such member shall be appointed by the Declarant. After the end of the Declarant Control Period, or at such earlier time as Declarant may determine in its sole discretion, the Declarant may by written instrument recorded in the Official Public Records of Gonzales County, Texas, appoint an Architectural Committee consisting of three (3) Owners of the Property who are willing to serve in such capacity. After any such appointment of Owners to serve in such capacity, in the event of death, incapacity or resignation of a member of the Architectural Committee, the successor for such member shall be appointed by the majority of the remaining members of the Architectural Committee.

4.03 **Submission of Plans to Architectural Control Architectural Committee.** No Improvement shall be commenced, erected or maintained upon any Lot after the purchase of any Lot from Declarant, nor shall any exterior addition to or change or alteration therein, other than normal maintenance, be made until the Plans showing the nature, kind, shape, height, materials and location of the same are submitted to and approved by the Architectural Committee. Plans shall be submitted to the Architectural Committee at least thirty (30) days prior to the commencement of any construction or modification or the placement of any Improvement on any Lot. Plans shall be submitted at High Crossing Ranch Partners, LP, 2301 S. Capital of Texas Hwy., Bldg. J-101, Austin, Texas 78746 or such other place as may from time to time be designated by the Declarant or the Architectural Committee by written instrument recorded in the Official Public Records of Gonzales County, Texas; and the last instrument so recorded shall be deemed the proper address.

4.04 **Approval of Plans.** The Architectural Committee shall review the Plans and notify the Owner in writing of its approval or disapproval. If the Architectural Committee fails to approve or disapprove such Plans within thirty (30) days after the same has been submitted to it, they will be deemed to have been approved by the Architectural Committee. Any disapproval shall set forth the elements disapproved and the reason or reasons thereof. The judgment of the Architectural Committee in this respect in the exercise of its sole and absolute discretion shall be final and conclusive and the Owner shall promptly correct the Plans (if disapproved) and resubmit them for approval. No construction, installation, placement, alteration, change or modification shall commence until approval of the Architectural Committee is obtained. The Architectural Committee may approve any architectural deviation from these covenants and restrictions as the Architectural Committee, in its sole and absolute discretion, deems consistent with the purpose hereof. No member of the Architectural Committee shall be liable to any Owner for any claims, causes of action or damages arising out of the denial of any submittal or grant of any deviation to an Owner. Future requests for deviations submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a deviation to any Owner shall not constitute a waiver of the Architectural

Committee's rights to strictly enforce the Declaration and the architectural standards provided herein against any other Owner. Approval by the Architectural Committee of the Plans or its determination that the completed construction or modification has been constructed in accordance with the Plans shall be deemed to be an acknowledgment by the Architectural Committee that such are in accordance with this Declaration and such acknowledgment shall be binding against the Owners of the Lots and the Property.

4.05 **Fees for Architectural Review.** The Architectural Committee Rules may provide for reasonable fees to cover the cost of the review of Plans and other related expenses that the Architectural Committee deems reasonable or necessary. Such fees must be paid as a condition of Plan review. Alternatively, the Architectural Committee Rules may provide for annual fees on each of the Lots within the Property to cover the cost of the review of Plans and other related expenses that the Architectural Committee deems reasonable or necessary, and any such annual fees shall be an assessment against the Lot and the Owner and shall be secured by a lien therefor.

4.06 **Architectural Committee Members' Liability.** Neither Declarant, the Architectural Committee, nor any employees, officers, directors or members thereof shall be liable for damages or otherwise to anyone submitting Plans for approval or to any Owner affected by this Declaration by reason of mistake of judgment, negligence or nonfeasance arising out or in connection with the approval or disapproval or failure to approve or disapprove any Plans. Any errors in or omissions from the Plans submitted to the Architectural Committee shall be the responsibility of the Owner of the Lot to which the Improvements relate, and the Architectural Committee shall have no obligation to check for errors in or omissions from any such Plans, or to check for compliance of such Plans with the general provisions of this Declaration, building or development codes, state statutes or the common law, whether the same relate to Lot lines, building lines, easements or any other issue.

Article V **ENFORCEMENT**

5.01 **Strict Compliance Required.** Each Owner, by acquisition of any right, title or interest in any Lot, covenants and agrees to be bound by and to strictly comply with the provisions of these Restrictions (as the same may from time to time or at any time be hereafter amended). Each Owner must ensure that Owner and its family and other household members or occupants, and their respective guests, invitees, servants, agents, representatives, employees and tenants, and all other Persons over which each has a right of control or under the circumstances could exercise or obtain a right of control, strictly comply with all applicable provisions of this Declaration, and such Owner is liable for all consequences of any such violation by any such parties.

5.02 **Enforcement.** Declarant or the Architectural Committee (or any Owner, except as otherwise provided in this Declaration) has the right to enforce observance and performance of these Restrictions and, in order to prevent a breach thereof or to enforce the observance or performance thereof, has the right, in addition to all legal remedies, to an injunction either prohibitive or mandatory. Failure of Declarant or the Architectural Committee to enforce any of the provisions of this Declaration will in no event be deemed a waiver of the right to do so thereafter (including without

limitation as to the same or similar violation whether occurring prior or subsequent thereto). No liability may attach to the Declarant or the Architectural Committee for failure to enforce any provisions of this Declaration. Each right and remedy set forth in this Declaration is separate, distinct and non-exclusive, and all are cumulative. The pursuit of any right or remedy so provided for or by law shall be without prejudice to the pursuit of any other right or remedy, and the failure to exercise any particular right or remedy shall not constitute a waiver of such right or remedy or any other right or remedy.

5.03 **Obligation for Payment of Costs and Expenses Resulting from Violations.** Each Owner found to have committed, or who is responsible for, a violation or violations of any of the provisions of this Declaration is liable for payment to Declarant for, and to **indemnify and hold and save Declarant harmless** from, any and all claims, liabilities, damages, loss, costs, expenses, suits and judgments of whatsoever kind, including reasonable attorneys' fees, incurred or attributable to any such violation(s), and must pay over to Declarant all sums of money which Declarant or its representatives may pay or become liable to pay as a consequence, directly or indirectly, of such violation(s). Additionally, Declarant may assess reasonable fines against an Owner for violations of these Restrictions which have been committed by an Owner or for which Owner is responsible. All sums described in this Section 5.03 are assessed as an assessment, and are secured by the continuing lien established by Section 5.04 below.

5.04 **Lien for Assessments.** All sums assessed against any Lot pursuant to this Declaration are secured by a continuing lien on such Lot in favor of the Declarant. The recordation of this Declaration constitutes record notice and perfection of Declarant's continuing lien, effective from the date of recordation of this Declaration. No further recordation of a claim of lien or other notice of any type or kind whatsoever is required to establish or perfect such lien. Declarant's continuing lien is superior to all other liens or encumbrances on each Lot except: (a) a lien for real property taxes and other governmental assessments or charges on a Lot (a "**Tax Lien**") to the extent so required by law but not otherwise (it being the intent hereof that Declarant's continuing lien is superior to any Tax lien if permitted by law, including Section 32.05 of the Texas Tax Code); (b) a first lien securing payment of purchase money for a Lot, or a lien securing payment for work and materials used in constructing improvements on a Lot; (c) an extension of credit (commonly known as a home equity loan) made in accordance with and pursuant to Section 50(a)(6), Article XVI, of the Texas Constitution, as amended; (d) a reverse mortgage made in accordance with and pursuant to Section 50(a)(7), Article XVI, of the Texas Constitution, as amended; and (e) such other mortgages, deeds of trust, liens or other encumbrances to which Declarant may from time to time by written agreement specifically and expressly agree. Each Owner, by acquisition of any Lot within the Property, expressly grants to and vests in the Declarant (A) the right and power to bring all actions against each Owner, personally, for the collection of all delinquent assessments as a debt; (B) the right and power to foreclose Declarant's continuing lien for assessments by all methods for the enforcement of a mortgage, deed of trust or any contractual lien, including foreclosure by an action brought in the name of the Declarant either judicially or non-judicially by power of sale; and (C) a continuing power of sale in connection with the non-judicial foreclosure of Declarant's continuing lien for assessments as herein provided.

Article VI
EASEMENTS

6.01 **Reserved Easements.** Declarant reserves the right and power, without the necessity of the joinder of any Owner or other Person, to grant, dedicate, reserve or otherwise create, at any time or from time to time, easements for public or private utility purposes (including without limitation, water, wastewater, gas, electricity, telephone and drainage), in favor of any Person, utility provider or utility contractor, as reasonably necessary along the boundary lines of any Lot. The utility providers furnishing service or other beneficiaries of the easements shall have the right to remove trees situated within the easements and to trim overhanging trees and shrubs located on portions of the Property abutting such easements.

6.02 **Installation and Maintenance.** There is hereby created an easement upon, across, over, and under all of the Property for ingress and egress to and from all easements created under Section 6.01 above, or otherwise existing, in connection with installing, replacing, repairing, and maintaining all utilities, including but not limited to, water, wastewater, gas, electric, and telephone lines and appurtenances thereto, as well as drainage facilities.

6.03 **Drainage Easements.** Each Owner covenants to provide easements for drainage and water flow, as contours of land and the arrangement of Improvements approved by the Architectural Committee thereon, require.

Article VII
MISCELLANEOUS

7.01 **Term.** This Declaration, including all of the covenants, conditions, and restrictions hereof, shall run until December 31, 2041, unless amended or terminated as herein provided. After December 31, 2041, this Declaration, including all such covenants, conditions, and restrictions shall be automatically extended for successive periods of ten (10) years each, unless amended or terminated as set forth in Section 7.02 below.

7.02 **Amendment/Termination.** For so long as the Declarant owns any part of the Property, this Declaration may be amended by the recording in the Official Public Records of Gonzales County, Texas of an instrument executed and acknowledged by the Declarant, setting forth the amendment. Thereafter, this Declaration may be amended or terminated by the recording in the Official Public Records of Gonzales County, Texas of an instrument executed and acknowledged by the Owners of at least seventy-five percent (75%) of the Property, plus the Declarant for so long as Declarant is a lien holder on any Lot or other part of the Property.

7.03 **Variances.** During the Declarant Control Period, Declarant may grant variances from strict compliance with the Restrictions, when in the opinion of the Declarant, in its sole and absolute discretion, such variance is justified. All variances must be evidenced in writing. If a variance is granted, no violation of the covenants, conditions and restrictions contained in the Restrictions shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of the

Restrictions for any purpose except as to the particular property and particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification or amendment of the terms and provisions of the Restrictions.

7.04 **Notices.** Any notice permitted or required to be given by this Declaration shall be in writing and may be delivered either by certified mail, return receipt requested, or personally delivered and a written receipt received therefor. If delivery is made by certified mail, it shall be deemed to have been delivered the date on which it was received by the person to whom such notice was addressed. Such address may be changed from time to time by notice in writing given by such Person to the Declarant.

7.05 **Interpretation.** The provisions of this Declaration shall be liberally construed to effectuate the purposes of creating a uniform plan for the development and operation of the Property and of promoting and effectuating the fundamental concepts of the Property set forth in this Declaration. This Declaration shall be construed and governed under the laws of the State of Texas.

7.06 **Exemption of Declarant.** Notwithstanding any provision in this Declaration to the contrary, neither Declarant nor any of Declarant's activities shall in any way be subject to the control of or under the jurisdiction of the Architectural Committee or any other Owner. This Declaration shall not prevent or limit the right of Declarant to excavate and grade, to construct any and alter drainage patterns and facilities, to construct any and all other types of Improvements, including without limitation utilities, sales and leasing offices and similar facilities, and to post signs incidental to construction, sales, and leasing anywhere within the Property.

7.07 **Assignment by Declarant.** Notwithstanding any provision in this Declaration to the contrary, Declarant may assign, in whole or in part, any of its privileges, exemptions, rights, and duties under this Declaration to any other Person and may permit the participation, in whole or in part, by any other Person in any of its privileges, exemptions, rights, and duties hereunder.

7.08 **Construction.** The provisions of these Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision or portion thereof. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise effect that which is set forth in any of the paragraphs, sections or articles hereof.
